QUIHI NOTES.

Now, therefore, my son, obey my voice; and arise, flee thou to Laban my brother to Haran; and tarry with him a few days, until thy brother's fury turn away. Gen 27: 43, 44.

The fox was roaming the woods for prey. A fat cockerel flew to a tree at his approach. "Why afraid?" asked the fox in his soft, persuasive eloquence. "Come down! No need of fear any longer. Haven't you heard of the latest decree and proclamation? From now on there is peace and harmony among all animals. Come down! Let's be friends!" The cockerel stretched his neck, looking around. "What d'you see?" inquired friend fox. "O, only a few hunters with a pack of hounds," was the reply. "Well, in that case I better keep moving," says our friend, "they might not yet have heard of that proclamation of peace." And off he went rather hurriedly. Why? There is a difference between advice and application, between theory and practical life, between conviction and honesty of purpose. Rebekah is speaking in our text. As far as we know she was a godfearing woman. And yet there was a difference of conviction and honest application. She practiced favoritism in all her educational efforts, as did Isaac, always showing the biggest pie over to Jacob. Esau, practically, was a stranger to her, a competitor, virtually an enemy that must be watched and fought from trench to trench. She managed the final coup the master-stroke, the knock-out blow, with that ingenious tragedy-comedy against husband and son, where she acted on the spur of the moment, cleverly providing background, stage, wings, characters, costumes, motif, argument, dialogue and climax. A tragedy-comedy of hypocrisy and deception. Did she not know better? Was it the difference between theory and practical life, between religion and morality? And now when the brutal instincts and passions are aroused in Esau by her provocation, and the threat of murder floats on the air, she pats Jacob, her accomplice, on the back and sends him scurrying to her brother for a "temporary" hide-out. As for Esau, no explanation, no regrets, no apology on her part? And no "pater, peccavi", Father, I have sinned no remorse, no repentance towards heaven? Something lacking? Two observations are often puzzling. We take it for granted that religion and morality faith and life must tally, with no religious motives at all, who, at least outwardly, present a life of moral rectitude, dignity decency and self-control along humane and social standards. And the second observation: Many we find with deep religious convictions and a well pronounced faith, yet their life and morality show astounding contradictions, flaws and blemishes; and we do not speak of hypocrites. Those moral flaws we find in the patriarchs, also in Rebekah, in judges like Samson, in kings like Saul and David, in pious poets and preachers; in Christian communities today, where funds for personal use are in abundance and the Lord's affairs go begging; where worldly festivities get their regular "Christian" attendance and patronage while the pews are often empty; where the halls of amusements and even revelry are enlarged and multiplied and the house of God gathers a few remnants; where the din and noise of babel enchants the ears and hearts, and the preaching of eternal verities seems to need a moratorium, a long pause; where gnats are strained and camels swallowed. What flaws and contradictions between faith and life. Obviously the two do not run in equal pace; morality often limping behind. Obviously, the Lord has many an "infant terrible", a problem child, in His family, where sin does not force on the knees for a deep repentance. Rebekah is one of them. And so is Jacob.

And so the Lord in His wisdom has called Mrs. Jacob Breiten home, though her injuries at the time did not disclose the serious nature of her fall. We shall ever miss her and lament her death with her children. But she had longed for that house with many mansions. The Lord granted her wish. His name be praised.

Sadness in one house, joy in the other; such is life. We were able to offer prayer and congratulations to Mr. and Mrs. Walter Graff where another little bundle of sunshine was added to the family in the form of a healthy boy.

Ascension Day is approaching fast; May the 26th. We follow the custom of long standing with a German service at the Old Quilch cemetery on that day, at 10 A. M., a memorial service; the living saluting the dead; those still tossed about with their frail bark on life's choppy and boisterous sea gratefully remembering those who already have made the harbor beyond. We invite you for this service.

We have extended the time for the contributions to the Christmas box towards our fellow-Christians in New Guinea. A number of parcels have made their appearance. Will you not join us? The smallest gift will help to bring Christmas cheer over there.

Announcements for May the 22nd: German service at New Fountain at 10; Sunday school and Junior Bible class (take notice, "Juniors") at 9:30; English service at 7:30 P. M. We invite you. "Let the word of Christ dwell in you."

REVIVAL SERVICES IN PROGRESS AT METHODIST CHURCH

Local Pastor Being Assisted By Two Earnest Revivalists

Rev. B. L. Nance, visitation evangelist, arrived Saturday and began work immediately visiting from house to house and in the places of business. The church officials feel they have been very fortunate in getting

already that his work will abide. He suggests that this should be a revival of attendance at the preaching services, the church school sessions, daily prayer, Bible reading, testimony and the number won to Christ. Rev. Bruce M. Cox of Los Angeles Heights, San Antonio, came Sunday night and has brought splendid messages at each service in addition to doing a great deal of visiting and personal work.

A number have already been received by certificate and on profession of faith, others have promised to present themselves for membership and others are giving it serious consideration. Services are being held each evening this week at 8 o'clock, Sunday morning at 10 and again in the evening at 8:00. Members are urged to be present and all others are cordially invited.

REV. B. L. NANCE MAKES APPEAL TO PUBLIC.

As a man ripe in years, who has observed for more than fifty years the devastation and ruin of the path of sin, and as one who has experienced the joy and blessedness of the Christian's pathway, I am happy for the privilege of making a public appeal to the citizens of Hondo. 1. To the Christians to become more active

and Christ-like; 2. to the unsaved for their sake and all whom they love to turn from the ways of sin unto the Blessed Way of Christ. The Methodist Church extends a most cordial welcome to all to attend the Revival.

REV. B. L. NANCE.

MISS MANN COMPLIMENTED.

Complimenting Miss Evelyn Mann, whose marriage to Mr. Milton Haegelin of Hondo will be an event of June, a charmingly appointed linen and lingerie shower and tea were given Saturday, May 14, from four to seven o'clock p. m., in the home of Mrs. J. D. Sureddin in San Antonio, with Mrs. Sureddin, Mrs. M. T. Schuchart and Miss Evelyn Haegelin as hostesses. The pastel colors of the rainbow were featured in the floral decorations and the table appointments.

Receiving in the living room were Mrs. Sureddin, the honoree, Miss Mann, her mother, Mrs. Gus Mann, Mrs. Schuchart, the fiancée's mother, Mrs. Robert Haegelin, and Miss Evelyn Haegelin. Master John Sureddin, Jr., opened the door for the guests. The living room was lighted with floor lamps and pink candles in silver holders. Pastel tinted Queen Anne lace and white gardenias were used for floral adornment.

In the gift rooms, pink and orchid gladioluses and rainbow tinted Queen Anne lace were decorative notes. The hand-painted bride's book was tied with rainbow colored ribbons, and was the gift to the honoree by Miss Laurinda Rothe. Miss Jerline Haegelin was in charge of the book. Misses Julia Mann and Irene Neuman greeted the guests in the gift rooms.

The tea table in the dining room was laid with a handmade lace cloth and centered with a crystal bowl holding an attractive arrangement of lighted small white candles and white candle-tuft. On each side of the center piece crystal candelabra held flame-tipped white tapers. Mrs. Julius Wurzbach served the cake, a white confection embossed with sugar-spun pastel sweet peas. Mrs. H. E. Jenner presided over the crystal punch bowl, and was assisted in pouring by Miss Lillie Neuman. Also assisting in the dining room were Misses Mary Louise Haegelin and Lenora Mann. Rainbow colored mints in a crystal bowl and the napkins in the same hues completed the table appointments.

The bride-to-be wore a floor-length frock of turquoise blue marquisette, with puffed sleeves formed by tiny ruffles of the material, and a pink bow trim at the neck. With this she wore pink satin slippers and a corsage of pink sweetheart roses, and carried a pink chiffon handkerchief. Mrs. Mann's peach colored lace dress was trimmed with ribbon of aquamarine and her sandals were of a matching blue. Her flowers were blue irises. Mrs. Haegelin wore embroidered pink silk net with a belt of pink and blue ribbon, blue sandals and a corsage of vari-colored sweet peas. A frock of yellow or ganza, yellow slippers, and a corsage of summer blossoms completed Mrs. Sureddin's costume. Mrs. Schuchart's gown was of blue lace through which a large pink bow was revealed on the blue taffeta under skirt. Pink slippers and a corsage of pink gladioluses were also worn. Miss Evelyn Haegelin's dress of dusty rose marquisette was worn with matching slippers and deep pink gladioluses in her hair. Aqua blue bows trimmed the bodice of the frock.

About forty guests called.

Miss Alice Sprout is recovering at the Medina Hospital from an appendectomy performed May 14th.

Hondo High School To Graduate Thirty-One

Baccalaureate Services, Round-up of Graduates, and Commencement To Be Held.

The graduation activities for the 1938 class of thirty-one seniors of Hondo High School begin with the Baccalaureate services at 6 o'clock Sunday afternoon, May 22, in the high school auditorium and will close with the Commencement exercises at 8 o'clock Tuesday night, May 24, on Barry Field. The round-up of graduates and ex-students of Hondo High School will precede the Commencement program, from four to seven o'clock, on the school campus.

The Baccalaureate sermon will be given by Rev. John K. Berry, who is associated with Methodist activities in San Antonio. The program has been arranged as follows:

Processional—Mendelssohn's "War March of the Priests" from "Athalie".
Invocation—Rev. Paul Czerkus, pastor of St. Paul's Lutheran Church.
Anthem—"O Worship the King" by Haydn—Choir.
Scripture reading—Rev. I. V. Garrison, supply pastor of the Baptist Church.
Special song—"Open Our Eyes" by Macfarlane—Sextette.
Sermon—Rev. John K. Berry.
Anthem—"Evening Prayer" by Gabriel—Choir.
Benediction—Rev. W. S. Highsmith, pastor Hondo Methodist Church.

Preparations are still being made for the round-up of the graduates and ex-students of Hondo High School and the program has not been completed. At five o'clock, however, the graduates will assemble in the school auditorium for the purpose of re-organizing the Alumni Association. The meeting will be conducted by Dr. O. B. Taylor and officers will be elected. Following the meeting, the school and grounds will be open for inspection, with high school students acting as guides. There will be special exhibits in the various departments of the school, including the Vocational Agriculture, Home Economics and Journalism. Hostesses will be present in each room to greet the visitors. It has been arranged to have an information booth on the school grounds where the graduates, ex-students and visitors will be requested to register. No formal program has been arranged for the hour of the get-together, but entertainments and informal suppers are being planned for different class reunions in private homes.

At eight o'clock will be the wind-up of the school year 1937-38 with the Commencement exercises on Barry Field. Electric lights are being put up this week, a public address system will be installed and a speakers platform will be built. The visitors will be seated in the bleachers. The tentative program is as follows: Processional—Pep Squad and drum corps, president of school board and Superintendent of Hondo High School, members of the faculty, speakers and the Seniors of 1938. Welcome Address—Mr. J. G. Barry. Recognition of classes, parents, honor students, letter men and others. Three-minute talks by prominent

students and graduates of Hondo High School. Presentation of diplomas, awards and scholarships. Robert David Windrow, youngest son of the late Mr. and Mrs. W. H. Windrow, has achieved the honor of high point student and leader in scholastics in the class of 1938. The other honor students have not been announced.

The grand finale will be the singing of the school song "For Hondo's Honor and Glory".

Five or six hundred homecomers are expected to participate in the first round-up of Hondo High School graduates ever to be held here. The round-up is being sponsored by the Senior class of 1938 and their teacher-sponsor, Miss Jacqueline Adams.

RELIEF ASSOCIATION MEETS.

At the called meeting of members of the Home Relief Association held at the courthouse last Saturday, several amendments to the constitution were adopted. The amendments were merely to make certain corrections where sections conflicted and was intended to bring them into harmony with each other. Those eligible to membership can join now at a cost of only three dollars for admission, but only authorized agents can receive commissions on securing members.

A proposition looking to a merging of the Medina County Aid Society with the Home Relief Association and having only one Benefit Association instead of two, was discussed briefly. It was taken under advisement and will probably be considered at some future assemblage.

PAVING WORK FINISHED.

Hondo now has seven and one-half miles of paved streets, including the one mile and 840 foot stretch of Highway 90 running through town and which is known as South Front Street on the city map. Hondo had 2 1/2 miles of paving, put down some eight years ago and which had proven highly satisfactory. Through the co-operation of public spirited citizens, Commissioner Alfred A. Bader and the W. P. A. administration five miles more of the same type of paving has been added.

About 28 cars, amounting to 1428 1/2 tons of asphalt and 11495 gallons of crude oil were used in laying the paving. The asphalt cost \$4.36 per ton delivered in Hondo and the oil 6¢ per gallon. The citizens paid towards this work \$4,800.00 in private donations.

The WPA furnished 96 tons of the asphalt and all labor for laying the paving, except the foreman who had to be employed from the asphalt company. Commissioner Bader and County Engineer W. R. Speece supervised the work.

In addition to the street paving proper a great many extensions to side-walk curbing and approaches to driveways were constructed, adding a great deal to the appearance of the property and the convenience of the public.

HOLMES-BENDELE.

A quiet but pretty wedding was solemnized Wednesday morning, May 18, 1938, at ten o'clock in the home of Mrs. Callie Bendele, when her step-daughter, Miss Amelia Bendele, became the happy bride of Mr. William Neville Holmes. The large living room was banked with fern and pot plants to form a background for the ceremony. The Rev. W. S. Highsmith pastor of the Hondo Methodist Church, read the impressive ring ceremony.

The bride was lovely in a beige suit of light weight wool with accessories of British tan. The bridegroom wore oxford grey.

The bride is the only daughter of the late Chas. G. Bendele, and for a number of years has been employed by the Telephone Company here. The bridegroom is the son of the late W. P. Holmes of Leakey, Texas, and is in the ranching business. They will make their home on the ranch south of Leakey. The happy couple left immediately after the ceremony for a two weeks' honeymoon in Old Mexico.

This paper joins the many relatives and friends of the bride here in extending best wishes for a happy married life.

WORK STARTED ON WIDENING PROJECT.

In keeping with promises made by the Division Engineer to start work this week on the project of widening Highway 90 for a distance of five blocks through the center of Hondo, the park fence has been removed and the last of the shrubbery and trees were being cut and burned as we close the forms on this paper Thursday evening.

Some months ago, most of the shrubbery had been dug up and taken away for transplanting, a gift from the railroad management to whoever wanted them. But no one would tackle the transplanting of five beautiful elm trees. They have stood there for several months and it looked little less than sacrilege to see them cut down and only a vacant space left where before waved their beautiful green foliage.

They should never have been planted where they were, however, for they were a menace to traffic at both crossings, and the public will be pleased to see the highway improvement pushed on to an early completion.

HIGH WATER IN HONDO.

Following intermittent showers stretching over several hours, shortly after the noon hour Monday there came a veritable downpour. An observer in the southwestern part of town reported a four inch precipitation from one to two o'clock. The rainfall just northwest of town must have been exceedingly heavy, for the water over-taxed the regular outlets and for several hours swept down North Front street, flooding some of the lower floors west of Bandera Avenue.

The rain was not needed for crops, and was detrimental to cats, now being harvested.

But who would dare complain of the rain in Southwest Texas.

BALL TEAMS TO TRAVEL.

The Hondo Redbirds and the Quilch Red Sox will travel out of town for the baseball games scheduled for next Sunday, May 22, in the Highway 90 League! The Redbirds go to D'Hanis and the Red Sox play Knippa.

In last Sunday's games in the League schedule, Hondo defeated Knippa by a score of 9 to 2 on the Ney Field in Hondo. Quilch was defeated on its home lot by D'Hanis to the tune of 5 to 3.

WASHINGTON SNAPSHOTS.

By James Preston.

The opinions here expressed are Mr. Preston's own and not necessarily those of this paper.—M. E.

The word "must" is again plaguing the Congress, and members who had previously set June 1 as an adjournment deadline are now telling the folks back home not to expect them before the middle of June.

It was carefully planned strategy that brought the must program back to the fore. The strategists figured many weeks ago that the best way to get a doubtful or objectionable measure through the Congressional channel was to hold it until the eleventh hour. The theory, of course, is that members anxious to get home for their forthcoming election campaigns would more quickly yield to the administration's program.

Then, too, they figured that the new spending scheme would give them a tool with which to pry some members out of the ranks of the revolvers, because when the spending starts nobody wants to be left holding an empty bag.

Leaders are so confident now that their strategy will work, they have quietly set about to revive the rejected government organization program. It is not yet officially on the must calendar with the wage-hour and spending measures, but well informed observers say it will be soon.

The Agriculture Department is having plenty of troubles of its own with the corn-belt farmers and the cotton farmers of the South over crop allotments. When quotas for crops are announced in various communities, it has become a sure-fire signal for an indignant meeting of protest and some farmers are even mailing their contracts back. In the corn belt the protest is taking organized form in the "Corn Belt Liberty League". Now the Department is beginning to worry about what the wheat farmers are going to say about soil conservation payments when they come due. It seems that most of the wheat growers had their grain planted before the farm act of 1938, granting payments for soil conservation, was approved. They thought they could plant all they wanted to. Now most of the farmers have large wheat crops coming up and will have trouble qualifying for the "scarcity checks" unless they plow under part of their crop.

There is worry, too, in the heads of a lot of government theorists and economists these days. It's been more than a month since the new pump-pricing spending plan was announced. They had figured that there would be a "psychological" upturn of business immediately—not from the spending but from the anticipation of it. The upturn hasn't come and the worriers are worrying that maybe actual spending won't even turn the trick.

Observers are scratching their heads, too, over the recent pronouncements by the C. I. O. urging the new spending spree. They wonder if the C. I. O.'s economists actually have figured out what the new spending is going to mean to labor. Most thinkers are in agreement that it isn't going to benefit labor, but, on the contrary, do considerable harm. After all, employers can't pay a spending spree bill and wages at the same time. You just can't put the same dollar in two pockets at the same time, and it doesn't take a high-salaried economist to figure that out.

And on the matter of relief, a Michigan constituent has written his Congressman about the C. I. O.'s "shake-down" strike tactics in his community. The man complained that pickets prevented him from going to work because he had not paid his union dues. He wound up with this snapper:

"About the only plants left operating here are the relief plants".

BILL DUBOSE TO AID CORPUS COACH.

Corpus Christi, May 12.—Bill Dubose, former University of Texas athlete, now on the coaching staff of the Nacogdoches high school, has been named assistant coach of the Corpus Christi Buccaneers football team.

Dubose was named by the school board on the recommendation of Harry Stiteler, former Smithville coach, who has been named head coach of the Buccaneers. In addition to his coaching duties, Dubose will teach physical education in the high school.

Mr. Dubose was formerly teacher and coach in Hondo High School.

"NOBODY'S BUSINESS."

By
Julian Capers, Jr.

The opinions here expressed are the author's own and not necessarily those of the Herald.—M. E.

AUSTIN—"You can't sell war-mustons to folks who are still wearing overcoats", sagely remarked Lt. Gov. Walter Woodul, who this week was serving his 19th term as Acting Governor of Texas, during the absence in California of Gov. Alfred Woodul was commenting upon the usual slowness with which the apathetic Texas democracy is warming up to the 1938 campaigning season. The politicians are all suffering from the same trouble. Even in the Governor's race, the public interest has been so slow to warm up that Ernest Thompson and Bill McCraw, leading candidates, have been filling only skeletonized engagement schedules, appearing at a few barbecues, community celebrations, and civic club meetings, and delaying their program of daily campaign itineraries until after June 1. The unusually cool weather, economic complications which have finally begun to make Texas feel the recession, and much rain which has kept the farmers in their fields between showers, trying to catch up on their spring work, and difficulty in raising campaign funds, are causes to which the hotel lobby political experts around Austin are attributing the late opening of campaign fireworks.

Allred Still Active.

The withdrawal of Gov. Allred from active participation as a third term candidate did not take the Governor out of politics by any means, and behind the scenes, reports here indicate, Allred is moving pawns in an effort to aid several candidates, seeking also to pay off some political scores by opposing others. Austin buzzed this week with a story of a rift between Allred and Senator Morris Roberts, of Pettus. Roberts has been active in supporting Coke Stevenson, of Junction, for lieutenant governor. Allred has no love for Stevenson, who was speaker when some of the Allred tax proposals went down to defeat. The Governor is politically fond of Sen. G. H. Nelson, of Tahoka, an opponent of Stevenson for the Lieutenant Governorship. The story here has it that Allred called Roberts into his office, vigorously remonstrated with him for supporting Stevenson, and succeeded in making the South Texas senator so angry that he went out and got Stevenson, took him in his automobile, and made a week's personal tour of Roberts' district with the ex-speaker.

The week brought out an announcement from Ex-Senator George Purl of Dallas, as a new entrant in this race. Purl announced he would open next Saturday at his home town of Georgetown, with Ex-Gov. Dan Moody, likewise a Georgetownite, presiding.

Four Out for Land Office.

The race for Land Commissioner, while not usually regarded as a major post, is attracting attention throughout the State this year, and promises to develop into a healthy political fight. Land Commissioner Bill McDonald, incumbent seeking a second term, is the target for three opponents, and the policy of McDonald in leasing state school lands on a low cash and high royalty basis, instead of the traditional low royalty and high cash bid plan, is the issue. McDonald stoutly defends his policy while land grabbing and vacancy hunting are also hot issues.

Out of the West comes Morris Browning, son of a distinguished legislator and former lieutenant governor of Texas, as a candidate for Commissioner, pledged to end a vacancy racketeering, and offering a constructive plan whereby the Legislature can validate the titles to patented State lands in the names of present holders, while at the same time, protecting the State school funds against loss of their interests in valuable land vacancies near oil producing areas. Citizens and newspapers in West Texas and South Texas, where the vacancy hunters have operated extensively, are tremendously interested in this race, and from them Browning claims strong support. He pledges a personal examination of every vacancy application, in the light of his knowledge as an expert surveyor.

Other opponents of McDonald include Bascom Giles of Austin, a former employee for 17 years of the Land Office, who bears the endorsement of former Commissioner Walker. A fourth candidate is Larry Mills of Dallas. All the opposition plans to use records of the Senate investigation of McDonald's office held this Spring, as the basis for campaign material.

Notes.

No flattery of the intelligence of Texas voters is implied by the activity of the type of politician who brings out a obscure, unknown, candidate with a name similar to that of some prominent candidate, in the hope that the people are so dumb they cannot distinguish between the two, and may elect their man, believing him to be somebody else. Examples of this week include the announcement of "Verne O. Thompson", a filling station employee of Dallas, who announced for governor, admitting he was put in the race by a Gladewater oil man. He is listed in the city directory at Dallas as "V. O'Neal Thompson". A similar entrant is "James A. Ferguson", of Bell County, said to be a cousin of Jim Ferguson, who hopes his name and the ignorance of his fellow citizens may, by some miracle, make him Governor of Texas. Regents of the University of Texas meeting Saturday, have narrowed their choice for a new \$17,500 a year president to six candidates, it was reported, but it may be several months yet before a final selection is made.

Do you "fly all to pieces" when the children are noisy, or when the vegetables burn, or when the jelly won't "jell"? Some mothers are just naturally cranky. Some mothers are cross and impatient because they are nervous.

If you are a natural crank, DR. MILES NERVINE won't do much for you. If you are irritable because your nerves are overtaxed, DR. MILES NERVINE will do a lot for you.

Do you suffer from Sleeplessness, Restlessness, Nervous Irritability, Nervous Headache, or Nervous Indigestion? Do you worry over trifles, start at sudden noises? Overtaxed nerves will cause all these troubles, and DR. MILES NERVINE will help you to relax those overtaxed nerves.

Why don't you give it a trial on our guarantee of satisfaction or your money back? Your druggist can tell you about DR. MILES NERVINE. He has been selling it ever since he started clerking in a drug store. Dr. Miles Nervine comes in two forms—Liquid and Effervescent Tablets.

Dallas Tech Defeats Merit To Win the State Crown

The Hondo Owls were defeated by the strong Merit nine in the semi-finals of the state baseball tournament held at Steer stadium in Dallas last week. The Owls were victorious in their first game over Wilmer-Hutchins, Dallas county winner, by an 8 to 5 count, but were defeated by Merit by a 6 to 3 score in the second game.

In the first game, Wilmer-Hutchins was held to six hits by the effective pitching of Clinton Hartung. Hartung was very wild at times but proved effective in the pinches. The Owls paved their way to victory in the first inning when five hits, a walk and an error went for five runs. The Owls also scored runs in the third, fourth

and fifth frames. Windrow and Knox led the Owls' attack with two safeties apiece. Wilmer-Hutchins scored their runs in the first, second and sixth frames.

In the second games, the Owls were stopped by the effective hurling of G. Goode, Merit hurler. The Owls were unable to score until the sixth inning when four hits scored three runs. Windrow and Rucker led the Owls with three and two hits, respectively. The Merit nine collected

One reason you hear CLEARLY...

Western Electric

telephones are made to work together

* Western is manufacturing and supply unit for the Bell System

Whether you're talking across the street or to San Francisco, it doesn't "just happen" that you hear clearly and easily over the telephone. One reason you can do it: Western Electric telephones, precision manufactured for the entire Bell System, are the same all over the country. You might say they're "tuned" to each other, somewhat like radios to a broadcasting station.

If telephones and equipment weren't uniform, voices might not be clear. It would be vastly more difficult for us to give you the good service at low cost that you have come to expect.

Southwestern Bell Telephone Company

MISS BENDELE HONORED.

Miss Amelia Bendele, a bride of the month, was honored with a shower tea on Thursday afternoon, May 12, at the home of Mrs. Geo. H. Bendele. The hostesses were Mrs. Geo. H. Bendele, Mrs. Ben Oefinger, Mrs. A. C. Thallman, Mrs. Raymond Koch, Mrs. Charles H. Balzen, Mrs. Milton Bendele, Mrs. Aaron Bendele, Mrs. Herbert Bulgerin and Miss Alice Muennink.

The home was beautifully decorated with large baskets of sweet peas, snapdragons and larkspur. Large bowls of sweetpeas reflected in a mirror plaque adorned the center of the dining table, which was lighted with pink and white tapers in crystal holders. Handsome silver and crystal trays held the sandwiches and cookies and the punch was served from a crystal bowl. Floor and table lamps were used to light the rooms where the many lovely and useful gifts received by the honoree were displayed.

In the receiving line were Mrs. Geo. H. Bendele, in a becoming dress of orchid lace with a corsage of lavender spring blossoms; Miss Amelia Bendele, the bride-elect, in a lovely frock of dusty pink lace with a corsage of pink sweet peas; Mrs. Callie Bendele, wearing an afternoon dress of peach lace and a corsage of pink sweet peas. The hostesses were similarly gowned in lace dresses in pastel colors.

The heart-shaped bride's book was hand-painted and tied with white ribbons. Miss Muennink was in charge and about eighty-five guests registered. Mrs. Oefinger served the punch and Mrs. Thallman the sandwiches. The remaining members of the house party assisted in serving and greeting the guests.

AN APPRECIATION.

We wish to thank our many relatives and friends for the congratulations and the best wishes extended us and for the lovely gifts presented us on the occasion of our Golden Wedding anniversary. We also thank Father J. Lenzen for his kind words at the Mass and all those who in any way, by their attendance and their assistance, contributed toward the happiness of the event and made it one to be always remembered and cherished by us.

Mr. and Mrs. Joe L. Haby.

The banns of marriage between Miss Evelyn Mann, daughter of Mr. and Mrs. Gus Mann of Hondo, and Mr. Milton Haegelin, only son of Mr. and Mrs. Robert Haegelin of Hondo, were announced in St. John's Catholic Church last Sunday. The wedding will be an event of June. In the meantime, Miss Mann is the honoree of a number of pre-nuptial courtesies.

The Ladies Bridge Club met at the home of Mrs. L. J. Brucks Tuesday afternoon, when prizes were awarded Mrs. Fletcher Davis for high score and Mrs. O. B. Taylor for second high score. Refreshments of molded chicken salad, saltines, olives, cookies and iced tea were served. The guests included Mesdames Ed. Cameron, Fletcher Davis, J. M. Finger, L. E. Heath, B. R. Eichenroht, Harmon Hubert, and O. B. Taylor, and Miss Josephine Brucks.

Dr. and Mrs. H. J. Meyer were hosts to the Wednesday Night Bridge Club this week, entertaining four tables of players. Mrs. L. J. Brucks and Dr. T. B. Knopp were awarded the club prizes for high scores. A refreshing orange drink was served to the following: Dr. and Mrs. T. B. Knopp, Mr. and Mrs. L. E. Heath, Mr. and Mrs. Earl Starnes, Mr. and Mrs. Robert Kollman, Dr. and Mrs. O. B. Taylor, Mr. and Mrs. L. J. Brucks, Dr. and Mrs. Walter B. Meyer and Dr. and Mrs. H. J. Meyer.

An announcement of interest to a large number of friends here is the following which appeared recently in the San Antonio Express: "Mr. and Mrs. C. C. Harkey of Silver City, N. M., announce the engagement of their daughter, Barbara, to Wilbur Dechert, son of Rev. and Mrs. E. W. Dechert of Stockdale. The bride-elect has been attending the University of San Antonio for the past two years. The marriage will take place during the latter part of June and will be held in the Stockdale Methodist church, of which Rev. Dechert is pastor. Several parties and entertainments have been planned in honor of Miss Harkey." Wilbur attended Hondo High School while his father, Rev. Dechert, was pastor for several years of the New Fountain Methodist Church.

MRS. ALBERTINA REITZER.

Mrs. Albertina Reitzer, resident of Yancey for the past 35 years, died at her home Friday, May 13, 1938, at 5:20 o'clock (P. M.) after having been in failing health for some time.

Mrs. Reitzer was born in the Qhihi community on June 20, 1860. In the year 1889, she entered into wedlock with Mr. Hy. Reitzer. Their union was blessed with the following children: Mrs. Aug. Leinweber of Hondo, Ida Reitzer of Yancey, Mrs. Herman Oefinger of Yancey, Mr. Otto Reitzer of San Antonio.

Several years ago Mrs. Reitzer was stricken with blindness. She bore her affliction with much courage, looking forward to the day of her deliverance by the merciful angel of death.

Besides her six children, she leaves her grief-stricken husband and a brother, Mr. B. Brucks of Qhihi.

Funeral services were held at the Horger funeral home at 4:00 P. M. last Saturday, May 14, with Rev. P. Czerkus of the Lutheran Church officiating. Interment was made in Oakwood cemetery, the following serving as pallbearers: Alfred Schulte, Melvin Balzen, Theo. Reitzer, August Brucks, Herbert Decker and Adolph Brucks.

This paper joins in sympathy for those who mourn the passing of a beloved companion and mother.

O. P. ROSS.

O. P. Ross died at his home on the Upper Hondo at one o'clock Wednesday morning, May 18, 1938. Mr. Ross had been a sufferer for years from rheumatism. He was seized by an attack on his heart by this fell disease and died before medical aid could reach him.

Mr. Ross was born in Wilson County on October 25, 1874, and was, therefore, in his sixty-fourth year of age. In early life he was married to Miss Eckhart, member of a pioneer Medina County family, and for many years had been an industrious and successful stock-farmer on the Upper Hondo. He is survived by his widow and several grown children.

Funeral services were held at the home late Wednesday evening and burial made in the Tarpley cemetery.

This paper joins the family and other friends in sorrow over the passing of this good man.

FAMILY GATHERING.

The home of Mr. and Mrs. Wm. Ziegenbalg was the scene last Sunday of a happy family gathering. Mr. Ziegenbalg's step-brother and wife, Mr. and Mrs. Paul A. Seifert, of 9 Tioga Avenue, San Francisco, California, who were visiting in Southwest Texas, were the family's guests for the day. They were joined by Mr. Ziegenbalg's father, Ernest Ziegenbalg, and family; another step-brother, W. T. Seifert, and family, of San Antonio; a brother, Emil Ziegenbalg, and family of Duncan Field, San Antonio, and Mesdames M. Jeankel and Hansel of San Antonio. This goodly crowd enjoyed a pleasant day together.

Mr. and Mrs. Paul A. Seifert left Monday for their San Francisco home, motoring back from San Antonio by the upper route via El Paso.

WALTER P. JONES

Walter P. Jones died at an early hour Sunday morning, May 15, 1938, at the home of Mr. J. N. Word. He was buried at Vanderpool late Sunday evening.

The deceased was a brother of Mrs. Word and was born near Devine on May 18, 1881. His home was near Del Rio and he is survived by his wife and four children, a son and three daughters.

He had been in San Antonio for medical treatment but receiving no benefit stopped for a few days here in the home of his sister where death relieved him of his pain and sufferings.

We join in sympathy for those who mourn.

Friends of Mr. Jacob Reily were glad to see him improved enough to be up and out for an automobile ride Sunday afternoon. Mr. Reily has been ill for some time but is gradually regaining his strength.

ECHOES FROM MOTHER'S DAY.

Mrs. J. G. Newton composed the following poem, copies of which she presented to some of her friends last Sunday.

ON MOTHER'S DAY . . .

For every Mother everywhere,
On Mother's Day we breathe a prayer:
May God's rich blessings round you fall
And give you strength, ye Mothers all
To carry on from year to year
In God's own way; spreading your cheer.
We'll wear red flowers bright and gay
For you on this great Mother's Day.

To our dear Mothers gone above,
We breathe a sigh of deepest love.
Each day we miss you more and more;
We cherish now the days of yore.
A flower white we'll wear for you
In memory of your love so true.
Sweet memories that live away;
We honor you this Mother's Day.

QUIHI-NEW FOUNTAIN HOME DEMONSTRATION CLUB.

Non-acid foods should be well heated before canning. Miss Nell Foley, Medina County home demonstration agent, explained to the Quihi-New Fountain Home Demonstration Club, at a canning demonstration at the home of Mrs. Henry Schuehle May 12, 1938.

Non-acid foods not pre-heated do not always keep, as the soil sometimes contains spore bearing bacteria which are not killed when canning. This forms botulism. By heating in an open vessel this poisonous toxin is driven out into the air. Corn and meats should not be canned in glass jars. If these foods are canned in cans there is little danger of over-cooking, since the cans may be cooled immediately in cold water. Canned cans should be used. To keep the liquid in jar when canning, the jar should be completely sealed before placing in the canner. Then remove the canner and let it gradually cool. If some of the liquid has boiled away in the jar, refill the jar and place it in the canner again, and process for ten minutes. Miss Foley cautioned that canned discolored foods may not be good to eat.

Miss Foley will score canned vegetables at a meeting to be held at the home of Mrs. Otto Sittre, May 17.

After the short business meeting Mrs. Schuehle served cake and ice cream to the group.

IN MEMORY OF MRS. JACOB BREITEN.

One of the oldest residents of this section has been called home rather suddenly and we hold her in loving memory also by these brief details of her life. In human judgment, her obituary was already due in the latter part of last year when she lay for weeks at the hospital beyond human intervention and care, and no one had any hope of ultimate recovery. But the Lord decreed otherwise. She rallied and another chapter of almost strong and pain-free life was added to her long years. She took it as a special gift from on high and kept herself in still greater readiness, penning down her last thoughts and biography in her own clear and beautiful handwriting. From this we glean the following facts and features of her life.

Her father's name was Balze Klassen Remmers, emigrated from East Frisia in Germany. Her mother was Anna Gertrud, nee Loessberg, from Hesse-Darmstadt, Germany. To this union a child was born on August 27, 1855, at Quihi. On September 29 the child was brought to holy baptism, receiving the names Hilka Katharine. Rev. Chr. Oefinger, the first pastor of this parish, officiated; Mr. and Mrs. Julius Hartung were the sponsors.

Her early youth saw many of the strenuous days of pioneer life, impending dangers of Indian raids, the turbulent years of the Civil War and its reactions on this section. Yet she remembered the happy days of school life, chiefly German school, under the Rev. G. Schall, and the fine results were visible to her last days. On March 14, 1869, she was confirmed by Rev. I. F. Wohlschlagel after the usual course of catechetical instruction.

Judging by her own written memories, she had a deep love for her parents, the visible representatives of God in her life, and her constant prayer was that the Lord may sustain them for a long life and give her strength to be grateful and help her to make their days of old age joyous and sunny. "Only a pitiful few seem to do so," is her sigh.

On June the 7th, 1883, she joined heart and hands with the deceased Jacob Breiten. She was privileged to celebrate her golden wedding anniversary with him just before he departed. Seven children were given to her care and responsibility. Two died at a tender age; the others survive their mother.

Mrs. Breiten was of a sunny, cheerful disposition, well gifted, of strong physique and a restless worker to the last. A member of the Lutheran Bethlechem church at Quihi, she found her chief solace in the word of God, though little attending, due to a bodily ailment. But her Bible was her precious book day by day, and the pastoral visits were more than welcome up to the last few days, when matters took a serious turn.

With a few exceptions, she enjoyed continuous health, till fall last year, when the obstructions of an embolism made us despair of her life. But the danger passed and she enjoyed a stretch of reinvigorated and happy life to the joy of all her kin. On Monday, May the 8th, she fell, perhaps due to a recurrence of a slight stroke, and though the immediate effects seemed trifling, perhaps internal hemorrhages fast took strength and life away. On Tuesday, May 17th, 1938, at 11 o'clock at night she breathed her last at an age of 82 years, 8 months and 20 days. Her last thoughts and words were with her Savior Jesus Christ.

The surviving children lamenting her death are: Mrs. Albert Mumme, Mrs. C. J. Stiegler, Hondo; Mrs. John G. Bohlen, Dunlay; Mr. Robert Breiten, Dunlay, and Mrs. Geo. Boehle, Verdina, including 14 grandchildren, 8 great grandchildren and a half-sister, Mrs. C. W. Grell, Hondo, and many other relatives and friends far and near.

Funeral services were at the Horder Funeral Home on May the 18th, 1938, with interment at the new Quihi cemetery. Many floral offerings spoke the sweet words of loving memory.

Pall-bearers were: Otto Marquis, Walter Grell, August Brucks, Dietrich Lindeburg, Henry Bless and Alfred Brucks.

The God of all comfort sustain the bereaved. Blessed are those that die in the Lord.

A. Wedemeyer et al to Fred Bergman and Anna I. Sandbo, dated April 1st, 1926, and recorded in Book No. 79, page 441, Deed Records of Medina County, Texas.

That he is in possession thereof, and that he and his predecessors in title have held, owned, occupied and used the same in peaceable, open and adverse possession, paying the taxes thereon, cultivating and enjoying the fruits and revenues thereof, while said land has been under fence for the periods of 5 years, 10 years and 25 years. That the defendants by reason of some apparent defects in the earlier title to said land are claiming some character of adverse title to that of the plaintiff, which claims, or rights, if any, are barred by the 5-year, 10-year, and 25-year statutes of limitation. That by reason of the facts the defendants are casting a cloud upon plaintiff's title, and prays that the cloud be removed, that the defendants be adjudged to have no right or title to said land, and that the legal and equitable title be adjudicated to be in plaintiff clear of all claims of the defendants, and for all costs of suit.

Herein fail not, but have you before said court, on the first day of the next term thereof this writ, with your return thereon, showing how you have executed the same.

HONDO W. H. CASE TEXAS

A PLEASANT SURPRISE.

Last Sunday, May 15, 1938, Mr. and Mrs. John Moehring were pleasantly surprised, the occasion being the 68th birthday of Mrs. Moehring, when their children and a number of relatives arrived at their home in New Fountain at about noon that day, wishing Mrs. Moehring a happy birthday and many more to come.

At noon a long table was arranged, which was soon loaded with chicken, salads, and various delicious cakes, to which all did ample justice.

Those present were Mr. and Mrs. John Moehring, Mr. and Mrs. Ed Moehring, Mr. and Mrs. Oscar Moehring, Mr. and Mrs. Wilfred Moehring, Mr. and Mrs. F. D. Neuman, Mr. and Mrs. C. G. Poehler, Mesdames Aug. Tschirhart and Emma Reitzer, Misses Lillian, Virginia and Ludell Moehring, Hilda and Delina Poehler, Ethel Reitzer, Ellen Schlentz, Messrs. Hy. Poehler, Herbert, Wesley and Horace Moehring, Marvin Grell, Roy Boehlen, Milton Poehler and James Reitzer.

The afternoon was spent in conversation and playing cards. Three tables were set and the first prize, a box of stationary, went to Mrs. Oscar Moehring as high score, second to Mr. Oscar Moehring. Low score fell to Mrs. Emma Reitzer and the booby a "Teddy baby bear doll" went to F. D. Neuman.

At about five o'clock the table was again spread with delicious refreshments and the feast very much enjoyed; after which the people began to leave for their various homes, wishing Mrs. Moehring many more happy returns of the day.

Attorney Frank X. Vance informs us that he will enter the July Primaries with Attorney Joe E. Briscoe and allow the primaries to decide which of the two will stand in the November election against Judge H. E. Haass, the present incumbent, who has announced to run in the general election. The young men are both Devine boys and good friends inspite of being opponents for this important office.

SECRETARY TILLEY PULLED THE WIRES.

Finding only one tract of land left in the way of getting No. 173 right-of-way ready for the highway letting this week, Secretary Joe L. Tilley who learned that deeds for these were in the hands of Judge J. L. Winters, an Ex-Big Foot boy, at Bisbee, Ariz. telephoned Winters Saturday and learned that Mrs. Winters, one of the heirs had signed and others were ready, and Monday Judge Winters telephoned Tilley that the deeds were signed and in the mail. Tilley was not only thrilled in getting the matter attended to but in talking almost a thousand miles to a friend. They knew each other's voice and chatted pleasantly.

BASCOM GILES VISITS HERE

"Let's turn the land grabbers and school land lease sharks out of Austin and restore public confidence in the land office," Bascom Giles of Travis county, candidate for State Land Commissioner, urged in a statement issued on his campaign visit here.

Giles charged "vacancy vultures have terrorized legitimate taxpayers paying property owners and are being favored by William McDonald, the present commissioner."

"School children have lost \$1,000,000 because the present

BASCOM GILES

commissioner has gambled on leasing school lands, and lease sharks are growing rich on prize public school land leases," Giles charged in his statement.

Giles promised to conserve and develop public school land, and said he would protect all legitimate, tax-paying land owners in carrying out his program.

"The hundreds of thousands of dollars that are now going into the pockets of lease speculators should and must be restored to the school children and taxpayers," Giles said.

School teachers, taxpayers and others throughout Texas who are opposed to the State losing millions by gambling in State land leasing and to depredations of vacancy hunters are centering on Giles as the candidate to restore confidence in the land office, according to reports.

Giles is 37, but had 17 years experience in the State land office, where he served under former Commissioners J. T. Robison and J. H. Walker in practically all work of the office. He was chief abstractor of the State-wide Tax Survey for the last year and a half, but resigned to make this race.

Mr. Giles promised to return to Hondo before the primary and fill a speaking date.

CUBBING.

Many boys, who are younger than Scout age, are interested today in a program which they can enjoy since they are not old enough to join a Boy Scout Troop. The Boy Scouts of America have provided such a program, and it is the intention of the Alamo Area Council, as soon as it is possible, to have a Cub Pack wherever the boys in each community desire one.

We have a Cub Pack organized at Seguin, and it is running very smoothly, and everyone connected with the program is well satisfied and enjoying it.

Any boy nine years old can join a Cub Pack, providing, 1. He takes the Cub Promise and agrees to follow the Law of the Pack. 2. Gets his parents to agree in writing to help as members of the Cub Parents' group. He may wear the Cub Uniform and Cap badge, and the Cub Promise is "To Do My Best To Be Square And To Obey The Law Of The Cub Pack".

The first thing to do if a boy is interested is to get in touch with someone who will help him get the Pack organized, and we will also assist in every way possible from the Boy Scout Office. The Pack consists of a Cubmaster, who is a man at least Twenty-one years of age, and who is commissioned by the National Council of the Boy Scouts of America to be the leader. He is the one who has charge of each Den Unit in the Pack. The Cub Den is made up of a Neighborhood gang and they have a meeting each week. This Den may hold a meeting in the backyard, the garage, basement or build a shack of their own and hold the Den Meeting there. The Den must have a Den Mother. She is registered by the Boy Scouts of America and her duties are to assist and supervise the meetings of the Den. The Den Chief, who has charge of each individual meeting, is a Boy Scout who helps the Cub with the program, and with the different projects and things which they want to make. This Den Chief is a trained Boy Scout. The Denner is one of the Cubs, who is elected leader of the Den, and it is quite an honor to be elected Denner. The Dens hold their meetings each week and the program is centered around the home and once each month a Pack Meeting is held where all of the Dens get together for a meeting, which is in charge of the Cubmaster. The parents also attend, where they have the opportunity of seeing the different things which the Cubs in other Dens have made. This gives an excellent opportunity to exchange ideas regarding Cubbing.

There are three divisions in Cubbing; the Wolf, Bear and Lion. The Wolf Cub Books cost 20c each. If the boys in your community are interested in a Cub Pack, if they will get in touch with the Scoutmaster, we will be happy to assist them in any way possible.

EVERY FARM A FACTORY.

By T. C. Richardson, Secretary Texas Breeder-Feeder Association.

Cheap raw products are the basis of all manufacturing. The raw products of the farm do not always have to travel far away to an industrial plant to be manufactured. Farm livestock and poultry are nature's own machines for turning crops into concentrated, finished products, for the use of the human race. The miracles of modern chemistry fill the public eye, but none of them approach the marvelous efficiency of the miracle of life, through which the animal world transforms plant life into meat or eggs or milk or wool, "each after his own kind".

Wherever we find a farmer who has successfully survived the droughts and low prices which have plagued the country of late years, we usually find that he is "manufacturing" finished products by running his crude materials through those live, walking machines which cackle, moo or baa about the farm. Several tons of grass, fodder and grain (most of which could not have been sold as raw material) went to market wrapped in steer hides when H. C. Lippe sent two truck loads to Fort Worth and cashed them for \$2,000, a few months ago.

The acreage diverted from cotton under the new farm program will be planted, mostly in feed crops. It will not bring much cash if sold in its raw state. Much of it will be grazed off, saving the labor and expense of harvesting. Much will be harvested and stored, either dry or as silage for later feeding. In the form of meat or milk these crops may, as they often have done, bring in more dollars per

acre in net profit than the same number of acres in cotton.

Farms which are not fenced and grazed, but temporary fences may be quickly set up to confine stock on the field to be grazed. The kind of livestock to best utilize the crops, whether grazed or harvested and hand-fed, will of course be chosen according to the crop itself and the preference of the owner.

Dairy cows will usually pay the highest return for large quantities of silage or dry roughage with the proper grain supplements, but beef cattle will run them a good second. Sheep will utilize some weeds that cattle will not eat, and glean many a pound of meat and wool, but they must have more than weeds and gleanings. Hogs and poultry, including turkeys, of course require a high percentage of grain in their rations, but they should always have access to green pastures, in the interest of both thriftiness and economy of production.

Not an acre of the land diverted from cotton but can be turned to profitable account, by "putting it on legs". We are so accustomed to nature's own "manufacturing machines"—farm livestock—that we are prone to forget that the cackle of the hen means more in the total than all the factory whistles in the country; that the dairy cow's synthesis of grass and grain into milk and butterfat is more wonderful and more potent for human good than anything chemists have ever done with coal tar or soy beans.

The new farm program provides both the incentive and the opportunity for many farms to change to a system that will utilize both the land and the man-power better than cotton or other cash-crop farming.

Life is one great song
Composed of self-made notes,
Some harsh, some harmonious,
Notes of trials and errors,
Of sadness and joy,
Of love and contentment,
Blending with those of ambition and

Of success and happiness,
Giving forth a variation of sounds,
Soft and low, firm and steady,
Then fading away to stillness—
Forming another of the age's im-

NEXT YEAR'S FOOD DEPENDS UPON THIS MONTH'S WORK.

Borrowers from the Farm Security Administration are being warned that fewer loans will be made in the future for purchase of food, and that next year's food supply for FSA clients must be grown at home to an even greater degree than in the past.

C. W. Weston, FSA's supervisor in Medina County, said that the abundance of the family table next year will depend largely upon work done within the next few weeks. Field crops will be taking all the farmer's time a little later, he said, and in the meanwhile attention should be focused upon the garden, poultry, cow, and hog to assure that each will contribute its proper share throughout the entire year.

"Many families have been so centered upon the mere fact of obtaining cows, hogs and chickens that they have failed to give sufficient attention to efficient handling of this livestock, after it has been obtained", the supervisor said. "Some of them let all their cows freshen at the same time, and the result is a surplus of milk at one season and a shortage at another. Others allow their sows to farrow too late to provide a winter meat supply, or they fail to set aside a calf to fatten for fresh meat or for canning."

Ola Louise Mauldin, FSA's home management supervisor, said the most difficult matter of all is to keep gardens growing steadily month after month. "Some vegetables should be replanted after every shower", she said. "And just at this time, of course, the big job is to put up a supply of canned products that will carry through until next summer. The garden is of more than usual importance this year because in many areas there is a shortage of fruit. This fruit shortage can be made up by an increase in leafy, green and yellow vegetables."

The local office has been informed that 30 per cent of FSA borrowers in this county who last year required loans for purchase of food are able to carry on this year without such financing. The same is true of 15 to 20 per cent of all FSA borrowers in Texas, and 30 to 40 per cent in Oklahoma. "Money formerly spent for food will be available for paying indebtedness on livestock and equipment", the supervisor said. "When these borrowers own their teams and tools debt-free, they have made the first long step toward eventual ownership of their land."

Study Club Meets

The final meeting for the year of the Study Club of the D'Hanis Parent-Teachers Association convened in the home of Mrs. Ferd Koch Wednesday, May 11, at 2:30 p. m. Different members talked on subjects in which they were most interested; others joined in the discussion. Such subjects as, Parents and the Child in School, Attitudes Towards Illness, and Child Health were discussed. Delicious refreshments of angel food and ice cream were served to fourteen members and guests. The meeting adjourned for the summer until the opening of school in September.

One of the many attractive two-story homes in Hondo is the residence of Mrs. P. Jungman, which has recently received a coat of white paint together with some remodeling of the front porch. The residence purchased by Will Heyen from Mr. A. F. Peters is being completely remodeled and when completed in June will be a modern duplex apartment. The ladies of the West zone of St. John's parish gave their keno party at the school Sunday night and a large crowd was in attendance. Following the games, refreshments of lemonade and cake were sold.

Among the many improvements going on among Hondo residents is that of the Baptist parsonage on Carle Avenue. The front porch has been closed in to make one large room, the interior is being painted and papered, in preparation for the occupancy of the new pastor next month.

Mrs. E. J. Douglas of Charlotte spent several days this week at the bedside of her aged mother, Mrs. Roudt, who has been very ill for the last two weeks.

Clinton Jagge of San Antonio spent the week-end with his parents, Mr. and Mrs. P. C. Jagge, and his grandparents, Mr. and Mrs. H. V. Haass. Last week Clinton was elected president of the Rattlers Club of St. Mary's University where he is a student. He was also elected a member of the Student Council. Clinton is a graduate of Hondo High School and is completing his third year at the University.

D'Hanis 4-H Club Has Canning Demonstration

"Beets, corn, and beans should be cooked in a pressure cooker because they will keep better," said Miss Nell Foley, County Home Demonstration Agent, at the D'Hanis 4-H Club meeting for the May demonstration in the F. E. A. farm workshop. Miss Foley gave a demonstration on canning corn and beets. She also told us about the scoring contest which is to be held at our next meeting, and asked every member to bring a container of corn, beets, or beans.—Reporter.

D'HANIS HIGH SCHOOL NEWS

Class Play

Before an appreciative audience, the Senior Class of 1938 presented a three-act farce, "Aunt Tillie Goes To Town," at the High School auditorium on Thursday evening, May 12. Those taking part were: Alice Saathoff (in the title role), Marjorie Nester, Bertha Weynand, Ruth Strawn, Jo Nell Nester, Orson Secrist, Ferd Rock, Floyd Collins, and Charles Saathoff. The play was directed by Mr. W. B. Smith principal of the high school.

Baccalaureate

The baccalaureate services for the Class of 1938 took place in the High School auditorium on Sunday morning, May 15, at 11:15 o'clock. The stage was beautifully decorated with pot plants, spring flowers, and streamers of blue and gold. The Seniors entered one by one, solemn in their gray caps and gowns, to the processional, "Onward Christian Soldiers." The invocation was pronounced by Rev. Eugene Zuber, pastor of Holy Cross Catholic Church, and was followed by three musical numbers. These were, "Faith of Our Fathers," and "Holy, Holy, Holy," sung by a choir of mixed voices, and "Ave Maria" by Gounod played on the violin by Mr. Herman Couser.

The climax of the services came with the baccalaureate sermon delivered by Father Zuber, the theme of which was that the importance of seeking our destiny beyond this life is greater than that of finding our place in this world. He emphasized the emptiness of Greek and Roman culture as well as that of modern science without true religion, and showed how their exponents strive after knowledge of a Supreme Being and yet are often misled into atheism. He counseled the seniors to cherish the liberty insured them by the present form of our government. The speaker ended with a beautiful tribute to motherhood, its love and sacrifice, and pointed to the present occasion as an example of what children owe their parents.

After the benediction, pronounced by the same clergyman, followed the Recessional. The pianist during the services was Miss Josie Rothe. Members of the class are Bertha Weynand, Alice Saathoff, Marjorie Nester, Orson Secrist, Floyd Collins, and Ferd Rock.

4-H Girls Learn Hand Hemstitching

"Learn to appreciate simple work because it is the most beautiful," said Miss Nell Foley, County Home Demonstration Agent, at the D'Hanis 4-H Club meeting for the April demonstration in the high school auditorium. The members of the club learned to hand hemstitch linen scarves for their dressers. The vice-president, Erna Rose Huegele, presided over the business meeting in the absence of the president. During
